The Army in Victorian Society

by Gwynn Harries-Jenkins

Gwyn Harries-Jenkins, The Army in Victorian Society, Londres et . 4 Jun 2016 . Soldiers were seldom treated with great respect by the Victorian British was a common concern of reformers everywhere in Victorian society. British Army during the Victorian Era - Wikipedia 14 May 2011 . During the later Victorian era, the British army, despite the lack of care army of the nineteenth century, however, in that British society at the Recruiting Victorian armies .

Professor of History at the University of Liverpool and author of many books on Victorian society, Gwyn Harries-Jenkins, has written a comprehensive study of the Army in Victorian Society. The book covers the period from the Crimean War to the Boer War, and is an invaluable resource for anyone interested in the history of the British Army in the Victorian era.

The book begins with an overview of the army's role in British society, and goes on to examine its organization, training, and discipline. Harries-Jenkins also discusses the army's function in times of war and peace, and the impact of events such as the Crimean War and the Boer War on the army's structure and policies.

One of the most interesting aspects of the book is its analysis of the army's role in Victorian society. Harries-Jenkins shows how the army was used to reinforce Victorian values and ideals, and how it was seen as a symbol of the country's strength and power.

The book is well-researched and well-written, and is a valuable addition to the literature on Victorian society. It is highly recommended for anyone interested in the history of the British Army in the Victorian era.
